
FRAUD POLICY

1. INTRODUCTION

Fraud is an intentional dishonest act or omission done with the purpose of deceiving, causing actual or potential financial loss to any person or entity. It includes theft of moneys or other property by employees or persons external to the entity.

This also includes the deliberate falsification, concealment, destruction or use of falsified documentation used or intended for use for a normal business purpose or the improper use of information or position.

Corruption is a dishonest activity in which a Councillor, executive, manager, employee or contractor of an entity acts contrary to the interests of the entity and abuses his/her position of trust in order to achieve some personal gain or advantage for him or herself or for another person or entity.

2. PURPOSE

This policy defines Doomadgee Aboriginal Shire Council's position in relation to fraud and corruption, by:

- Acknowledging Council's obligations as a public sector entity to eradicate all instances of fraudulent and corrupt activities through appropriate control measures; and
- Establishing Council's commitment to the promotion and proper management of the fraud and corruption management framework.

The policy objective is to:

- Protect Council's assets and reputation
- Ensure a sound ethical culture of the Council
- Ensure senior management commitment to identify fraud risk exposures and establish procedures for prevention and detection
- Ensure Councillors and staff are aware of their responsibilities in relation to ethical conduct.

The policy outlines the appropriate actions that must be followed to increase the awareness of, and the investigation of, fraud.

3. SCOPE

This policy applies to all DASC Councillors, employees, contractors and volunteers.

4. POLICY STATEMENT

Council is committed to the control and elimination of all forms of fraud and corruption, and to create an ethical environment and culture that discourages and prevents fraud. Council has zero tolerance to activities related to fraud and corruption.

All staff are responsible for the prevention and detection of fraud and corruption and must comply with the Council's Fraud Policy and Fraud Control Plan.

All allegations and suspicions of fraud will receive attention. All substantiated cases will be dealt with appropriately either by criminal, disciplinary or administrative mechanisms suitable to the particular case (having due regard for the rights of all persons, including any person reporting a fraud and of any alleged perpetrator of fraud).

FRAUD AND CORRUPTION MANAGEMENT FRAMEWORK

Council acknowledges that the Fraud Policy and accompanying Fraud Control Plan must be in place and address the ten elements of effective fraud control, identified in the Crime and Corruption Commission's publication, *Fraud and Corruption Control: Guidelines for Best Practice (2005)*.

The ten elements are:

- I. A clear and integrated suite of relevant policies
- II. Effective and continuing fraud and corruption risk management
- III. Internal controls with clear accountability and responsibility structures
- IV. Effective internal reporting systems and procedures
- V. An effective system of external notification and reporting
- VI. Robust public interest disclosure mechanisms
- VII. A clear Code of Conduct and disciplinary standards
- VIII. Comprehensive staff awareness and appropriate training programs
- IX. Competent investigation processes and standards
- X. Effective stakeholder and community awareness programs

RISK ASSESSMENT

Council will undertake a fraud and corruption risk assessment at least every two years. After each review, Council will update its Fraud Control Plan.

INTERNAL CONTROLS

Council will maintain an internal control structure to minimise exposure to fraud and corruption. The primary mechanism for this control will be Council's Internal Control Framework, operating in conjunction with established audit and financial management practices.

REPORTING

Staff must report any concerns or suspicions that they have about fraudulent or corrupt activity to their immediate Supervisor. If the staff member believes that the Supervisor may be involved in the activity, then the report must be made to a more senior person or to the Corporate Services Manager.

Concerns and suspicions must be reported as soon as possible. An employee must not attempt to investigate the matter himself/herself.

Council must ensure that any report of suspected fraud or corrupt activity is treated confidentially to the fullest extent possible under the law.

INVESTIGATION

As statutorily required, Council will investigate or otherwise formally enquire into all instances of suspected fraudulent or corrupt conduct exposed as a result of receiving an allegation or detecting fraudulent or corrupt activities.

Investigations must be in accordance with the rules of procedural fairness or natural justice.
