Tender T003/17

1. Tenders are invited for the provision of Information Technology, Telecommunications and Web Site Managed Services and Support.

3. In clarification of the above the following services are required:
 - a. Information Technology - Managed Services;
 - b. Telecommunications – Managed Services;
 - c. Web Site – Hosting, Management and Administration; and
 - d. Consumables – Software, Minor equipment and toner cartridges etc.
4. The successful tender and selected unsuccessful tenders will be considered to be 'Preferred Suppliers' and be appointed to the DASC Approved Contractor List.
5. In accordance with Section 177 (7)(b) of the Local Government (Finance, Plans and Reporting) Regulation 2010, Council may negotiate with all persons who have submitted a tender to change their tender specifications after the closing date specified by Council. The lowest tender or any tender may not necessarily be accepted.
